STATEMENT OF SUBSTANCE OF INTERVIEW

A telephonic interview was held between Examiner Pia Tibbits and the undersigned attorney on July 20, 2006 regarding the outstanding office action in this case. The undersigned attorney and Examiner Tibbits discussed the substance of the cited reference as well as the proposed amendment. In particular, the Examiner pointed out that the word “simultaneously” amended into the independent claims does not have support in the specification. The undersigned attorney has filed an Amendment and Request for Continued Examination in this matter in which the word “simultaneously” is replaced with the word “concurrently”. The undersigned attorney submits that the word “concurrently” has direct support in the specification, as pointed out in the Request for Continued Examination filed previously.

If the Examiner desires personal contact for further disposition of this case, the Examiner is invited to call the undersigned Attorney at 603.668.6560.

Respectfully submitted,
Bucur et al.
